

MXOLISI NGEMA

SOFTWARE DEVELOPER

mxolisimazwi16@gmail.com | 0760725075 | 6458 Kilimanjaro Street

ABOUT ME

I am a self-motivated person with a strong work ethic, eager to contribute to the web development industry. With my foundational skills in Python programming and other coding skills using HTML and CSS, I am passionate about learning and growing within this field. My goal is to collaborate with others, create challenging projects and develop my skills to make a positive impact in the tech community.

EXPERIENCE (SOFTWARE DEVELOPER)

PYTHON DEVELOPER

FMTALI

03/2024 - 02/2025

As a software developer, I have a solid foundation in Python, CSS and HTML, with a growing expertise in cloud services like Azure. I have been deploying many projects applications to connect different apps to databases. These experiences have shaped my problem-solving skills enabling me to debug complex codes also optimize them for better performance.

JAVA DEVELOPER

FMTALI

11/2024 - 02/2025

I have gained practical experience in Java programming, including a strong grasp of core concepts, object-oriented programming (OOP), and application development. I have written and debugged various Java applications, honing my skills in identifying and resolving issues efficiently. Throughout this experience, I have focused on applying best practices in coding, optimizing performance, and ensuring maintainability of code. Additionally, I have developed the ability to implement Java's core libraries and frameworks, improving my overall coding proficiency and problem-solving skills.

EDUCATION

INFORMATION TECHNOLOGY

Richfield Graduate Institute College

02/2023 – Present

SECONDARY SCHOOL

Nhlalakahle Secondary School

01/2018 – 30/2022

CERTIFICATES

- Certified Associate: Python Programmer (PCAP)
Python Institute 06/2024
 - Microsoft Certified: Azure Fundamentals (AZ-900)
Microsoft 08/2024
 - Microsoft Certified: Azure AI Fundamentals (AI-900)
Microsoft 10/2024
 - Oracle Certified Associate: Java SE 8 Programmer
Oracle University 02/2025
-

SKILLS

- Graphics Design
 - Design Thinking
 - Front End Coding
 - Problem-Solving
 - Computer Literacy
 - Strong Communication
 - Adaptability and Flexibility
 - Teamwork
-
